Janet and Alan Fletcher

RIFCO legacy

Rifco is proud to be an Australian second generation family run business, located in the heart of Sydney. Founded in 1975 by husband and wife team Alan and Janet Fletcher in a small factory in Marrickville making mirrors and shaving cabinets. They ran the company for a fabulous 26 years before Alan's sudden passing in 2001 and the Rifco reins were handed over to their three children Luke, Samuel and Kate.

Building on their parents legacy, the Trio dared to expand the Rifco brand whilst ensuring their name became synonymous with quality Australian Made™ products. Market leaders in the industry for their creative designs that have influenced bathroom trends such as round mirror cabinets, timber vanities and curved vanities.

The dream continues today as they strive to create an environmentally sustainable company to one day pass down to their own children.
