

About The Service

"I don't know where to start and want someone to help me design my bathroom and advise on the renovation process"
...Property Owner

Another Perspective Studio can help you design and create your new bathroom.

We'll work with you to put together a bathroom design that suits your needs, style and budget. Depending on your requirements, our designs may include advice on layout, colour schemes, materials, flooring, fixtures, fittings, window coverings, lighting and accessories. These will be supplied as elevated digital drawings and 3D visuals.

Measure Up

Selection

Step 1

Collect information and discuss a design brief. This service includes an on-site in-person meeting up to 60 minutes in length to measure the space for your bathroom, discuss your requirements, offer advice and make recommendations. To help with the consultation, there is a questionnaire that needs to be completed by you before we get together.

Step 2

After a design brief is agreed upon from the feedback form and initial meeting, preliminary 3D and digital drawing concepts are created and shared with you for feedback and will include floor plan elevations with basic finishes to create an overall theme (limited to Digital paint samples + Tiles + examples of Lighting). These are presented in elevated digital form via email or at the next meeting with the client where 3D visuals will be available.

Step 3: Shop Save & Delivery (**optional**)

Once you have settled on your bathroom design and inclusions, we have an optional service which is great for time poor people or those who hate dealing with the logistics of renovations and getting selections to site.

Our Shopping Service will process your order selection and manage the deliveries – All you have to do is make room at your place and we will send you the invoices for prior payment

Note: this optional service is outside the scope of the initial Design and Consult and is charged out @ \$50.00 an hour

Cost of service \$500.00 inc

PRICE INCLUDES UP TO **TWO ROOMS** WITHIN THE GOLD COAST - BYRON AREA.

ADDITIONAL ROOMS ARE **\$200.00** - LAUNDRY/ ADDITIONAL BATHROOMS

OUTSIDE OF THIS IS TO BE PRICED ON APPLICATION.

DEPOSIT OF 50% REQUIRED UPON BOOKING IN DATE.
REMAINDER PAID AT TIME OF HANDOVER FOR DESIGNS
(2 - 4 WEEKS TURN AROUND WILL BE ADVISED AT TIME OF BOOKING)

IMPORTANT INFORMATION FOR THE CLIENT

In New South Wales, if your bathroom renovations exceed \$5,000 inc gst labour and materials in value, the individual, partnership or company you hire will need to hold a current Builder's Licence issued by NSW Fair Trading.

The Queensland Building and Construction Commission stipulates that tradespersons, partnerships or companies who carry out or supervise any building work exceeding \$3,300 in cost (labour and materials) must have a "Builder Restricted Licence" for the type of building activity they engage in. For your bathroom renovation, their licence should state that they are authorised to carry out "kitchen, bathroom or laundry" work.
