AVIA 2.0

A MODERN EVOLUTION OF TRADITIONAL DESIGN

For over 275 years, Villeroy & Boch has stood as a beacon of innovation and excellence in crafting products that reflect personal vision and style. Our journey, rich in craftsmanship and quality, mirrors our relentless pursuit of design and functional perfection. We've steadfastly combined tradition with modern elegance, setting the standard in style and durability.

Avia 2.0 by Villeroy & Boch represents a thoughtful evolution of well-loved classical design. Villeroy & Boch has blended timeless elegance with modern functionality to create a comprehensive range for the entire home. This signature Avia 2.0 style extends to every detail, from the distinctive ball joint handle on the mixers to the iconic flange design on towel rails and hooks, ensuring a seamless aesthetic for every wet area of the home, from the bathroom to the kitchen and laundry.

Avia 2.0's versatility extends to its finishes and design choices, offering something for every aesthetic. Whatever your style, Avia 2.0 adapts seamlessly to any interior, from elegant traditional

spaces to upmarket, modern bathrooms. The collection also offers three finishes, classic Chrome, striking Brushed Nickel and luxurious Brushed Gold, embracing both current trends and timeless design. With Avia 2.0, the choice is yours, whether you're renovating a Federation home, designing a Hamptons retreat, a coastal getaway, or a sleek modern Australian home.

Avia 2.0 is a range that cannot be confined to a single style; it redefines versatility. Its thoughtful, innovative design makes it a luxurious addition to any home, transforming wet areas into stylish, functional spaces that echo timeless beauty with a modern twist.

The House of AVIA 2.0

Welcome to the House of Avia 2.0. Designed by Villeroy & Boch to transcend time with elegant flair, Avia 2.0 has been crafted with the most modern of innovations.

Avia 2.0 by Villeroy & Boch seamlessly integrates into almost any interior design style, from the breezy Hamptons to modern minimalism and everything in between. Its timeless design, characterised by elegant curves and a solid, iconic form, makes it the perfect choice for creating a cohesive look throughout your home. The range includes everything from basin mixers and kitchen tapware to showers and accessories like towel rails and robe hooks, allowing Avia 2.0 to enhance the aesthetic and functionality of every room. With its versatile design, Avia 2.0 effortlessly elevates each space, bringing beauty and practicality to your bathroom, kitchen, and laundry.

BATHROOM

BATHROOM TAPWARE

CHARMING & TIMELESS

Avia 2.0 tapware blends classic elegance with contemporary flair. It features clean lines, elegant curves, a solid body, a stylish lever, and an iconic spout. The styling suits coastal, traditional, and modern interiors. The ceramic lever pays homage to Villeroy & Boch's ceramic heritage.

ACCESSORIES

DISTINCTIVE & UNIQUE

The Avia 2.0 Accessories Collection by Villeroy & Boch perfectly complements the entire Avia 2.0 range, adding a refined touch to your home. Each accessory, from towel rails to robe hooks, features clean lines and elegant curves that beautifully blend into various interior styles. The distinctive flange on each accessory adds unique depth and sophistication, consistent with the detailed elements of the Avia 2.0 tapware and showers range.

KITCHEN & LAUNDRY TAPWARE

TRADITIONAL & MODERN

The Avia 2.0 Kitchen Mixers blend tradition with modernity. Its iconic curved spout and ball-joint lever offer aesthetic appeal and functionality. It suits classic and modern kitchens with a 360-degree swivel, and the option of a pull-out spray featuring a magnetic head that ensures a smooth retraction and secure close.
